TAKE STOCK OF THIS

IT IS LARGELY A MATTER OF:
WHO ARE OUR REPRESENTATIVES REPRESENTING, THE CITIZENS OR FOREIGN INVESTORS?

Our City is over-burdened with Money Demands, but the IHTA seeks a solution to its problems with the AID OF LEGISLATION which costs the City nothing, and asks the City of San Francisco "only" to FULFILL ITS OBLIGATIONS.

This Certifies that

SUPERVISOR JOHN L. MOLINARI made a commitment on KQED to introduce legislation that could help save the International Hotel from Demolition if we furnished the basis for a suitable Ordinance. This we furnished. SUPERVISOR MOLINARI FULFILLED HIS COMMITMENT by introducing File No. 182-75 to the Planning, Housing and Development Committee of the Board of Supervisors. This is much needed legislation, not only for the International Hotel but for all housing, present and future, for Low-Income People. We believe we have a right to expect approval from Supervisors Pelosi, von Beroldingen and Mendelsohn, and that every other member of the Board of Supervisors should similarly commit themselves to us, the Citizens, by acceptance; thus showing good faith as representatives of the poorer Citizens as well as those that are affluent.

Please sign this "STOCK", duplicate it and send a copy to each Supervisor, or to the Board as a whole, thereby showing that YOU TOO HAVE STOCK IN San Francisco.
